Jon Dizdar is a master grower and has used Gaia systems with great success. Jon was hired by Aurora and he has been promoting our tech to management there.

2. Canopy Growth (largest grower in the world) <https://www.canopygrowth.com>

Owns Tweed, Bedrocan. Mettrum. SnoopDogg is their celebrity. Market cap over

\$1billion. Nick Boehme who was head grower for Tilray has been approached by Canopy Growth as there are hundreds of craft growers who supply Canopy with cannabis to sell and they want Nick to get all the growers on board. So Nick said only way he would do it is if they used Gaia technology.
